Q.E.P. Co., Inc. Fulfilled Children’s Christmas Wish Lists this Holiday

Boca Raton, FL – December 15, 2015– In the spirit of giving back, Q.E.P. Co., Inc. collaborated with Boys Town of South Florida, ‘The Hope for the Holiday Campaign’.

The Hope for the Holiday Campaign raises support during the holidays to fulfill a wish list for the children served by Boys Town of South Florida. Each child fills out a wish list of a few items, including clothing and shoe sizes as well as age and gender. Q.E.P. Co., Inc. received these holiday wish lists and quickly got to shopping, many employees contributed monetary donations, while a team of employees hit many retailers for toys, clothing and shoes! Within a short time, we fulfilled each of these children’s wish list making for a joyful holiday!

“It always means a lot to be able to give back throughout the year and especially around the holidays to make sure that the children in our community have a magical holiday. I am amazed and pleased with the response from our QEP employees. The support and caring in participating to fulfill these children’s wishes was overwhelming”, said Jamie Clingan, Sr. VP Marketing.

###

Boys Town South Florida provides a variety of In-Home Family Services to assess children’s needs and keep struggling families together. Trained Boys Town South Florida Family Consultants work in the homes of families to enhance parenting skills and make sure children are safe. The Care Coordination Services program provides a lifeline to children suffering from mental health issues by ensuring they receive the right care at the right time. In this intensive, family-centered case management programs, Boys Town consultants helps parents and caregivers navigate, access and monitor the service their children need. These services and program touch the lives of 17,000 children and families in South Florida each year.
